KLAK!
Do you think there are enough??
Enough of what, Danielle?
Enough of your huge American bullets to KILL every Nazi Bosch BASTARD in ALL of FRANCE, mon cher, that's what.
© DOFANTASY.COM

Not tonight babe, nope..
All we can hope to do is get our agents back from the Colonel's chalet and blow that damn bridge.
Do you know what that mad Nazi is doing with your precious "agents"?
© DOFANTASY.COM
YES!! I DO!! I know EXACTLY!

That was PART of the PLAN, in case they DID FAIL!! I set them UP!!
WHAT have you DONE?
Why do you think I chose THEM, Danielle? Simple...
You KNOW what this Colonel did to ME!!
It was YOU who gave me the idea!! We're way too thin here to directly attack, but we can't wait for division!! I needed that bridge OUT!! I knew that if they were successful, a woman and two girls could easily get away in the chaos. And if they FAILED, the Colonel would be so occupied with them, torturing them, it would buy us time..And it's all MY DOING..My plan..
BASTARD!!!
Then give me enough of your bullets to load your big American pistol, bastard!! Tonight your plan may KILL ME TOO!!
If this goes wrong tonight, I'll have KILLED us ALL!! But I OWE them..I MUST get them out of there and blow that bridge before they SPILL it ALL!!
But tonight you KILL this Colonel, YES??
I make it a point to know my enemy very well indeed.
Yes..I will kill him MYSELF..What..???
© DOFANTASY.COM

Make THESE the ones that send him straight to HELL!!!
..wow.
You will find your precious girls and the mother in the cellars.. where he held ME for days....
They never stop RAPING me..for 3 days and nights.
© DOFANTASY.COM
This is where you find them all..in that cellar. All of your precious girls too, raped and tortured. Kill him.
Yes..the last thing that goes through his mind will be your PUSSY!! Fuck...

This French pussy will kill MANY Nazis tonight, American spy...
I'll deliver these for you PERSONALLY. Get dressed love, it's time to go to WORK...
Cheri, I am dressed for THIS work as I AM, and require but ONE TOOL.
Let me KILL them now, Colonel!! Very slowly...
In good time, lieutenant..but this is now the BEST part, where they confess ALL. We have many SECRETS to REVEAL still..
Heh heh heh...

Secrets? They are spies for the resistance!! Kill them all!!!
Do you have some difficulty with RAPING these WHORES?
© DOFANTASY.COM
ooooh!!! God..STOP IT!! UGHH!
Not at all, Colonel...I enjoy FUCKING them!!
Good!! Then you won't mind learning what the Americans are planning!! These sluts are more than just saboteurs, they are agents, and it is about the BRIDGE, Lieutenant!! We must know how close, what strength, thier PLAN!!
oh noo..oh pleease.
They could not be this far so quickly!!
It would be wise to send out patrols and alert the bridge squad, Herr Colonel....
Indeed...
Order the panzers to keep thier engines warmed up!!

And what might THIS be? HALT!!
Come up from there, Gunther..HALT!!!
Hello!! Hello!!
A Woman? Hmm..
© DOFANTASY.COM

Of course we must search for any concealed or dangerous weapons, yes?
I'm certain you two brave men will keep me warm if you're to take my clothes from me now! It's COLD!!
Then we should go inside your nice warm bunker by the fire, Sergeant!! Then you can inspect things more carefully, Oui?
Yes, very carefully!!!
